Attention of the Customs Brokers, Importers, Exporters and Trade is invited to the Public Notice(s)/Facility Circulars issued with reference to manual registration and use of Scripts/licenses issued under Chapter 3 Reward Schemes. In 2015, the Merchandized Export from India Scheme (MEIS) was implemented in Indian Customs EDI System (ICES) for processing documents, wherein the scrips are transmitted online and verified electronically.

4. It is informed that further manual debit may not be resorted to and due care should be taken to record manual debit (if there was any debit already made prior to, the integration of DGFT-SEIS Scrips data with ICES say on or before 10th October 2016, or verification of SEIS scrips at the respective port of export, whichever is latest, in the concerned scrip before registration) in EDI Ledger as well as on the hardcopy of the said scrip. In such case, Exporters/Customs brokers are advised to approach the concerned officer with the documents for entry on the system within 10 days of this Public Notice.
